Sign permit application will be accompanied by a site plan. The plan will be drawn to scale showing the location and size of all existing buildings and location and size of all proposed signs.

If the property corners have been set by a registered land surveyor; the site plan can be drawn showing the location and size of existing and proposed buildings with measurements from property lines. In any case the property corners shall be available for checking the clearance by the inspection official.

Are property corners set at the site? _____
Are sewer and water lines in place at the site? _____
Is the street paved, and curb & gutter in place at the site? _____
Are electric lines in place at the site? _____

I THE UNDERSIGNED HEREBY SWEAR that the information provided on this application and accompanied site plan are true and accurate to the best of my knowledge and here by GUARANTEE to the CITY OF CHILLICOTHE that the work will be done in accordance with the appropriate building and electrical, codes of the City of Chillicothe. I will notify the City of Chillicothe the day before work begins and again when the wiring and plumbing are in place in the building.
