

Chillicothe Municipal Utilities

Water Resources Superintendent

CMU is accepting applications for Water Resources Superintendent (both Water & Wastewater divisions). Will be directly in charge of Water & Wastewater Division activities and personnel, including Plant Operators and Underground Facilities Crew(s). Starting salary is \$68,520/year progressing to \$85,650/ at one year with satisfactory appraisal, plus an excellent benefit package. High School diploma or Training equivalent (GED) and valid Missouri driver's license required. Prefer at least five (5) years previous water and wastewater system experience with at least two (2) years of managerial, administrative, and professional experience. Consideration will be given for equivalent combination of education, training, and experience. Applicant will be required to achieve a MoDNR Wastewater (D) Certification within one year of hire. Please contact Matt Hopper, General Manager, at 660-646-1683 or mhopper@cmuchillicothe.com for additional information including job description. Applications accepted until March 15, 2022. Please send to Chillicothe Municipal Utilities, P.O. Box 140. Chillicothe, MO. 64601 EOE
